## Focus

### Our Shining Stars

Our November students of the month enjoyed pizza and a movie with the Mrs. Barnes, our school principal. We also congratulate our teachers of the month, Mrs. Johnson-Bibbs and Ms. Wilson for going above and beyond the call of duty. Thank you for caring and supporting our children!

### Anti-Bullying Workshop

We are proud to announce that each student has vowed to Stop Bullying Now! During the week of November 16 – November 20, students participated in an Anti-Bullying Workshop. We focused on ways to stop bullying, how to be a real friend, and how bullying affects the people around us and our environment. Students will participate in an Anti-Bullying Poster Contest and classrooms will be awarded a 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place ribbon for the poster that displays the most creativity. All students who participated in the workshop were awarded with a special letter of completion. Parents look for this letter as your student(s) shares their experience and what they have learned about bullying.

The Stop Bullying Now Website is dedicated to bully prevention. There is information and tips for parents and students along with fun interactive games, video clips and quizzes to test your knowledge. The website is developed by the U.S. Department of Health and Human Services. Visit <http://stopbullyingnow.hrsa.gov/kids/> and help...
