### Accelerated Placement Program

The District provides an Accelerated Placement Program (APP). The APP advances the District's goal of providing educational programs with opportunities for each student to develop to his or her maximum potential. The APP provides an educational setting with curriculum options usually reserved for students who are older or in higher grades than the student participating in the APP. APP options include, but may not be limited to: (a) accelerating a student in a single subject; (b) other grade-level acceleration; and (c) early entrance to kindergarten or first grade. Participation in the APP is open to all students who demonstrate high ability and who may benefit from accelerated placement. It is not limited to students who have been identified as gifted and talented. Eligibility to participate in the District's APP shall not be conditioned upon the protected classifications identified in School Board policy 7:10, *Equal Educational Opportunities*, or any factor other than the student's identification as an accelerated learner.

The Superintendent or designee shall implement an APP that includes:

1. Decision-making processes that are fair, equitable, and involve multiple individuals, e.g. District administrators, teachers, and school support personnel, and a student's parent(s)/guardian(s);
2. Notification processes that notify a student's parent(s)/guardian(s) of a decision affecting a student's participation in the APP; and
3. Assessment processes that include multiple valid, reliable indicators.

The Superintendent or designee shall annually notify the community, parent(s)/guardian(s), students, and school personnel about the APP, the process for referring a student for possible evaluation for accelerated placement, and the methods used to determine whether a student is eligible for accelerated placement. Notification may: (a) include varied communication methods, such as student handbooks and District or school websites; and (b) be provided in multiple languages, as appropriate.

### Program for the Gifted and Talented

To the extent possible within the resources available, all gifted and talented students shall have an opportunity to participate in appropriate educational programs.

The term "gifted and talented students" means students whose mental development is accelerated beyond the average or who have demonstrated a specific aptitude or talent to the extent they need and can benefit from specially planned educational services. "Gifted and talented students" include students with exceptional ability in academic subjects, high level thought processes, divergent thinking, creativity, and the arts.

The Board authorizes the Superintendent to provide a gifted program which includes:

1. An identification system which identifies gifted and talented students early in their schooling experience;
2. An identification system based upon multiple techniques which ensure all students equal access to gifted and talented programs, regardless of social, economic, linguistic and ethnic background;
3. Educational programs which include access at all grade levels and which encompass all of the fundamental areas of learning;
4. Educational programs which provide for continuity among grade levels with programs consistent with the District's long-range goals;
5. Qualified instructional and administrative personnel with appropriate knowledge, training and experience to implement the program;
6. Staff development programs being made available which address the need for all teachers to be knowledgeable about the characteristics and learning needs of gifted and talented students;
7. Procedures to foster cooperative relationships among classroom teachers, parents, and the teachers assigned to the gifted program;
8. Procedures to foster parental involvement in all aspects of the program;
9. Procedures to continually evaluate the placement and progress of students in the gifted program with periodic progress reports issued to parents.

An annual report on the status of the District's gifted program shall be submitted to the Board of Education by the Superintendent.
